(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly ~~swear~~ that I have caused the surgeon of said vessel sailing therewith, or ~~the surgeon~~ employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ~~in number,~~ and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 27th day of Nov, 1920

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the natives of Cuba or other islands of the West [illegible] of the African

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

That upon the arrival of any vessel at a port of the United States from any place outside the United States, it shall be the duty of the master or commanding officer, or the first or second officer, or other person in charge of such vessel, to report and deliver to the immigrant inspector at the port of arrival, at the time of the inspection of the vessel by the immigrant inspector, a full and correct list of all the aliens on board such vessel, stating their names, ages, sex, calling, nationality, last permanent residence, final destination, whether they have been in prison or almshouses or institutions for the insane or supported by charity, whether they have a ticket through to their destination, whether their passage is paid by themselves or by other persons or by the government or State, whether in possession of money, and if so how much, whether going to join relatives or friends, and if so what relatives or friends and their names and addresses, whether ever before in the United States and if so when and where, whether they have a relative or friend in the country they came from willing and able to pay their passage if not provided with means, whether they are coming under contract or agreement to perform labor in the United States, whether they have been deported within one year prior to this arrival and if so why, whether they are connected with any organization which teaches the overthrow by force of the Government of the United States or of all forms of law, whether they are polygamists, whether they believe in or advocate the overthrow by force or violence of the Government of the United States or of all forms of law, whether they are coming for an unlawful or immoral purpose, and such other items of information as may be required by the Secretary of Labor; and it shall be the duty of such master or commanding officer, or first or second officer, or other person in charge of such vessel, to report and deliver to the immigrant inspector at the time of the inspection of the vessel by the immigrant inspector, a full and correct list of all aliens who have been taken on board such vessel at any foreign port or place for transportation to the United States but who were not permitted by the master or commanding officer of such vessel to land from such vessel at the port of arrival, and the cause for not permitting each of such aliens to land; and it shall be the duty of such master or commanding officer, or first or second officer, or other person in charge of such vessel, to report and deliver to the immigrant inspector at the port of arrival a full and correct list of all aliens who have been taken on board such vessel at any foreign port or place for transportation to the United States and who have died during the voyage, the cause of death of each, and the condition of the body when last seen by a surgeon or other member of the crew. Any master or commanding officer, or first or second officer, or other person in charge of any vessel who refuses or neglects to report, deliver, or verify the lists required by this section, or who refuses or neglects to answer any question upon oath concerning the same, or to any matter relating thereto, shall be guilty of a misdemeanor and shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or both, for each such offense: *Provided*, That the Secretary of Labor may, in his discretion, remit any fine or any part thereof imposed for any violation of this section. The Secretary of Labor may refuse to issue a clearance for the vessel upon which any alien arrives in the United States until a list has been delivered as required by this section, or may issue a clearance pending the delivery of such list within such time as he may prescribe, upon the master or commanding officer, or first or second officer, or other person in charge of the vessel giving a bond to the United States in such sum as the Secretary of Labor may prescribe, conditioned upon the delivery of such list within the time prescribed. Any bond given under the provisions of this section may be sued for and recovered in the name of the United States for the use of the Government, Territory, District, State, or municipality into the treasury of which the head money collected from the master of the vessel on account of the aliens carried in the vessel to the United States by such master is required to be paid, or may be sued for and recovered by any State, Territory, or municipality suffering loss by the admission of any alien from such vessel in violation of law, in the name of such State, Territory, or municipality, for the use of the person suffering such loss, and the proceeds of any bond given under the provisions of this section shall be applied to the reimbursement of such Government, Territory, District, State, or municipality, or person, for such loss, after deducting the head money required to be paid on account of such alien. Such rules and regulations shall provide for the examination by immigrant inspectors of aliens arriving at ports of the United States, but such examination shall be made only after the lists or manifests required by this section have been delivered to the immigrant inspector. Such rules and regulations shall provide for the taking of such aliens as may be certified by the examining immigrant inspector to the proper board of special inquiry for its action, and shall provide that the decision of such board adverse to the admission of any alien so certified shall be subject to appeal to the Secretary of Labor, but pending the decision of such appeal the alien shall not be landed from the vessel or otherwise. Such rules and regulations shall provide for the return of any rejected alien to the country whence he came, and shall prescribe the time within which such return shall be made. EXTRACT FROM THE ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 10. That it shall be the duty of every person, including masters, officers, and agents of vessels or railroads in the United States, and of every person in charge of any vessel or other conveyance arriving at any place in the United States from any foreign port or place, to prevent the landing of any alien brought to the United States in violation of the provisions of this Act, and to report forthwith to the proper immigration officer the name of each alien on board such vessel or other conveyance who has been refused a certificate by the consular officer at the port of departure, or who is suffering from any contagious disease, or who is a member of any of the classes excluded by this Act, and to detain such alien on board or at such place in the United States as may be designated by the immigration officer until a permit is granted for the landing of such alien or his removal as provided by this Act. Any person who violates any of the provisions of this section shall be punished by a fine not exceeding one thousand dollars, or by imprisonment for not more than one year, or both, and in addition shall pay to the United States the sum of $200 for each alien with respect to whom such violation occurs. In case of the refusal or neglect of the master or commanding officer of any such vessel, a penalty of $200 for each such alien may be imposed upon the owner, agent, consignee, or charterer thereof, which may be collected by suit or action, and the payment thereof may be enforced by the withholding or detention of the clearance papers of the vessel, or by the refusal of clearance papers to the vessel upon the subsequent entry or attempted entry thereof, or by the withholding of any moneys due to the master, owner, charterer, agent, or consignee of the vessel by the United States or any officer thereof, or by any one or more of such methods, in the discretion of the Secretary of Commerce. Upon the refusal or neglect of the master or commanding officer of any vessel to detain any alien on board thereof or at the appropriate United States immigrant station, as required by this section, or upon the escape of any alien therefrom before the inspection provided for in this Act, the master or commanding officer of such vessel shall be liable to a penalty of $1,000 for each such alien, and no vessel shall be granted clearance pending the determination of the question of the liability to the payment of such penalty, or while the same remains unpaid, and no such penalty shall be remitted or refunded except upon proof satisfactory to the Secretary of Commerce that the vessel has not been at any time at a port or place where the inspection provided for in this Act could be had, or that such alien was not a member of the crew or otherwise employed on board such vessel, or that such alien was duly inspected and his landing permitted by the proper immigration officer, or that such alien escaped before the vessel left port and could not be found and returned on board before such departure, or that such alien was prevented from so returning by sickness or other cause satisfactory to the Secretary of Commerce or that such alien was returned on board and was not allowed to land by the immigration officer at the port of arrival and report was duly made thereof to the Secretary of Commerce within twenty-four hours after such refusal.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is reserved for certain Government officials.

Column 3 (Age). The age given in this column should be expressed in years or months, the latter applying to children under 1 year of age.

Column 4 (Sex). The entry should be either M (male) or F (female).

Column 5 (Married or single). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry should describe as accurately as possible the occupation of each alien at his arrival, as, for example, Civil engineer, stationary engineer, farmer, blacksmith, carpenter, mason, tailor, tailoress, seamstress, dressmaker, milliner, merchant, clerk, bookkeeper, stenographer, typewriter, bank cashier, accountant, bank messenger, salesman, saleswoman, bookbinder, engraver, lithographer, draftsman, draftswoman, electrician, mechanical engineer, machinist, toolmaker, die sinker, metal polisher, brass polisher, steel polisher, metal molder, wood turner, etc., and not laborer, laboring man, or woman, which is indefinite and indescriptive. Particular attention is directed to the necessity for carefully distinguishing between farmers and farm laborers, regardless of the amount of money the former may possess. Aliens who can read and write should be returned as such, unless it is known that they are unable to do so.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Any corrections made in this column by boards of special inquiry should be initialed by the members making them, and corrections should be made in this column only by boards of special inquiry or by the commissioner in charge at the port of first arrival after the alien has been admitted, or by the immigrant inspector in charge at the port of final arrival in the case of aliens admitted without examination at the port of first arrival.

Column 7 (Nationality). This column is to be filled in to show the following: (1) Whether a citizen or subject of some foreign country; (2) whether a native, naturalized, or alien citizen of the United States; (3) whether stateless. The word "native" is to be returned when the person named was born within the present limits of the United States and has not become naturalized or lost citizenship by residence abroad. The word "naturalized" is to be returned when the person named has become a citizen of the United States by naturalization, whether by judicial proceedings, by marriage, or by the naturalization of a parent having minor children. The word "alien" is to be returned when the person named is a citizen or subject of a foreign country. The word "stateless" is to be returned when the person named has severed his allegiance to his former country without acquiring nationality in a new country.

Column 8 (Race or people). The answer to this question must be governed entirely by the list of races printed on back of this sheet. The entry should show the race or people of which the alien is a member, and not the country of which he is a citizen or subject. Thus, a native of Scotland should be returned as Scotch, a native of Wales as Welsh, a native of England as English, a native of Ireland as Irish, a native of Germany as German, a native of France as French, a native of Switzerland as Swiss, a native of Holland as Dutch, a native of Belgium as Belgian, a native of Greece as Greek, a native of Portugal as Portuguese, a native of Spain as Spanish, a native of Mexico as Mexican, a native of Cuba as Cuban, a native of Porto Rico as Porto Rican, a native of Scandinavia as Scandinavian, a native of Finland as Finnish, a native of Turkey as Turkish, a native of Syria as Syrian, a native of Arabia as Arabian, a native of India as Hindu, a native of China as Chinese, a native of Japan as Japanese, a native of Korea as Korean, a native of Africa as African, a native of Australia as Australian, a native of New Zealand as New Zealander, a native of Tasmania as Tasmanian, a native of Samoa as Samoan, a native of Hawaii as Hawaiian, a native of Philippine Islands as Filipino, a native of Canada as Canadian, a native of Newfoundland as Newfoundlander, a native of Nova Scotia as Nova Scotian, a native of New Brunswick as New Brunswicker, a native of Prince Edward Island as Prince Edward Islander, a native of Labrador as Labradorian, a native of Iceland as Icelandic, a native of Azores Islands as Azorean, a native of Canary Islands as Canarian, a native of Madeira Islands as Madeiran, a native of Bermuda as Bermudian, a native of Barbados as Barbadian, a native of Jamaica as Jamaican, a native of Trinidad as Trinidadian, a native of Haiti as Haitian, a native of Dominican Republic as Dominican, a native of Central America as Central American, a native of Argentina as Argentinian, a native of Brazil as Brazilian, a native of Bolivia as Bolivian, a native of Chile as Chilean, a native of Colombia as Colombian, a native of Ecuador as Ecuadorian, a native of Guiana as Guianese, a native of Paraguay as Paraguayan, a native of Peru as Peruvian, a native of Uruguay as Uruguayan, a native of Venezuela as Venezuelan, a native of Albania as Albanian, a native of Austria as Austrian, a native of Bohemia as Bohemian, a native of Croatia as Croatian, a native of Dalmatia as Dalmatian, a native of Hungary as Hungarian, a native of Moravia as Moravian, a native of Montenegro as Montenegrin, a native of Poland as Polish, a native of Roumania as Roumanian, a native of Russia as Russian, a native of Ruthenia as Ruthenian, a native of Servia as Servian, a native of Slovakia as Slovak, a native of Slovenia as Slovenian, a native of Bulgaria as Bulgarian, a native of Lithuania as Lithuanian, a native of Livonia as Livonian, a native of Esthonia as Esthonian, a native of Finland as Finnish, a native of Turkey as Turkish, a native of Syria as Syrian, a native of Arabia as Arabian, a native of India as Hindu, a native of China as Chinese, a native of Japan as Japanese, a native of Korea as Korean, a native of Africa as African, a native of Australia as Australian, a native of New Zealand as New Zealander, a native of Tasmania as Tasmanian, a native of Samoa as Samoan, a native of Hawaii as Hawaiian, a native of Philippine Islands as Filipino, a native of Canada as Canadian, a native of Newfoundland as Newfoundlander, a native of Nova Scotia as Nova Scotian, a native of New Brunswick as New Brunswicker, a native of Prince Edward Island as Prince Edward Islander, a native of Labrador as Labradorian, a native of Iceland as Icelandic, a native of Azores Islands as Azorean, a native of Canary Islands as Canarian, a native of Madeira Islands as Madeiran, a native of Bermuda as Bermudian, a native of Barbados as Barbadian, a native of Jamaica as Jamaican, a native of Trinidad as Trinidadian, a native of Haiti as Haitian, a native of Dominican Republic as Dominican, a native of Central America as Central American, a native of Argentina as Argentinian, a native of Brazil as Brazilian, a native of Bolivia as Bolivian, a native of Chile as Chilean, a native of Colombia as Colombian, a native of Ecuador as Ecuadorian, a native of Guiana as Guianese, a native of Paraguay as Paraguayan, a native of Peru as Peruvian, a native of Uruguay as Uruguayan, a native of Venezuela as Venezuelan, a native of Albania as Albanian, a native of Austria as Austrian, a native of Bohemia as Bohemian, a native of Croatia as Croatian, a native of Dalmatia as Dalmatian, a native of Hungary as Hungarian, a native of Moravia as Moravian, a native of Montenegro as Montenegrin, a native of Poland as Polish, a native of Roumania as Roumanian, a native of Russia as Russian, a native of Ruthenia as Ruthenian, a native of Servia as Servian, a native of Slovakia as Slovak, a native of Slovenia as Slovenian, a native of Bulgaria as Bulgarian, a native of Lithuania as Lithuanian, a native of Livonia as Livonian, a native of Esthonia as Esthonian.

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the Negroes of Africa, Cuba, the other islands of the West Indies, North or South America, Europe, or Australia. All persons with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are natives of that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Ferroni language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Potenza, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (Last permanent residence). Actual or any intended residence for one year or more should be set down as permanent residence, regardless of length of actual residence thereon. The entries in no case shall be left in part or in whole to the alien, but he should be required to answer the question definitely. It should show the country and city or town of last permanent residence. It is important for statistical purposes that aliens who have resided for some time in a country other than that of their birth should accurately state the country of last permanent residence.

Citizens of the United States who are permanent residents of the United States and who return to the United States after residing abroad should be credited to the United States.

Column 12 (Name and address of relative). The name and address of the person in the country whence the alien came who is the relative to whom the alien is going should be given.

Column 13 (Final destination). The answer to this question should show the intended future permanent residence. A mere transient visit should not be considered a permanent residence. The entry should be left to the alien to fill out. Where the alien intends to remain permanently or indefinitely in the United States, the answer should be "United States."

Column 14 (Whether going to join relative or friend, and if so, what relative or friend). The answer should be either Yes or No.

Column 15 (Ever in prison, etc.). The answer should definitely show whether the alien has been in prison, in a poorhouse, supported by charity, in an insane asylum or hospital, or an institution for the feeble-minded, or a person who has come to the United States principally for the purpose of performing labor, and if so, for what length of time and where. Money brought by the head of a family should be sufficient to show that the alien is not likely to become a public charge. The entries should be left to the alien to fill out.

Column 16 (Final admission to). The entries should show the port at which the alien will make his final entry into the United States, but if he is not certain, the name of the State will be sufficient. Where the alien intends to remain permanently or indefinitely in the United States, the answer should be "United States." If he intends to remain only for a visit, the answer should show the length of time and the place he intends to visit, as Chicago, Ill., for 6 months.

Column 17 (Whether coming under contract, etc.). The answer should show whether the alien has been promised employment, and if so, what relative or friend, with name and complete address.

Column 20 (Remarks). The questions are self-explanatory, and the answers in all other cases should be entered in this column. However, in answering question 20, if alien has been deported and has come back, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Column 6. *Calling or occupation.* The entry should describe as definitely as possible the occupation of each alien of 14 years of age and over at the last place at which he has resided for one year or more. Such terms as laborer, servant, or farmer, without further description, are indefinite and should not be used. Wife, children, and persons under 14 years of age should be entered as having no occupation. Where a person has changed his occupation during the year, the occupation followed for the longest time during the year should be given. Care should be taken to distinguish between farmers and farm laborers, regardless of the amount of money they possess.

Column 7. *Can read.* Answer the question from either for himself or for others.

Column 8. *Can write.* Answer the question from either for himself or for others.

Column 9. *Age.* Write the age of the alien at his last birthday. The ages of infants under 1 year should be stated in months, as "6 mos." or "11 mos."

Column 10. *Name and complete address of person in country whence alien came who paid the passage.* The name and address of the person who paid the steamship ticket or other passage expenses should be entered, whether the alien was in part or in whole assisted by such person or not. In answering this question, "Myself" is unacceptable. Read carefully the instructions printed on back of this sheet. The entry should show the name and address of the person who paid the passage.

Column 11. *Final destination.* Each alien must be booked to a destination in the United States. Write the name of the city or town, if known, and the State. Do not enter "Unknown" or "Will write later."

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address.* The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 13. *Ever in the United States? When? Where? How long? Purpose?* The entry should be either Yes or No, as the case may be. If the answer is "Yes," the year or period of year and place of last visit should be given, as "Yes, 1907, 2 years, New York City."

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15. *Have you ever been in prison or in almshouse or supported by charity? Which?* These questions are self-explanatory and the answer should be either Yes or No, as the case may be. However, no answer to question 15a, if alien has been deported within one year under the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN NORTH

The people who came to the north part of Italy south of the basin of the River Po, i.e., compartments of Piedmont, Lombardy, Venetia, and Liguria and the old grand duchy of Tuscany, Italy, Switzerland, Austria-Hungary, France, and Corsica should be classed as "Italian, North." Most of these people speak a Gallic dialect of the Italian language.

The people who came to the part of Italy south of the basin of the River Po, i.e., compartments of Umbria, Rome, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian, South." Italian South.

Column 16. *Last permanent residence.* Actual permanent residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regarded as the actual residence thereof. The entries should be, first, the full name of country of last permanent residence. It is important for statistical purposes that each alien state plainly and clearly the country of last permanent residence of the people, i.e., country of temporary residence, country of birth, nationality, or race.

Column 17. *Whether ever before in the United States? When? Where? How long? Purpose?* The entry should be either Yes or No, as the case may be. If the answer is "Yes," the year or period of year and place of last visit should be given, as "Yes, 1907, 2 years, New York City."

Column 18. *Whether ever in prison or almshouse or supported by charity? Which?* The answer should be either Yes or No.

Column 19. *Whether a polygamist.* The entry should be definitely for whom passage is paid—i.e., if for self, husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, niece, etc. Money brought by the head of a family should not be entered as the property of the other members of the family.

Column 20. *Whether going to join husband, wife, father, mother.* The entry should be either Yes or No, as the case may be. If the answer is "Yes," the year or period of year and place of last visit should be given, as "Yes, 1907, 2 years, New York City."

Column 21. *Whether going to join husband, wife, father, mother.* The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 22. *Whether ever before in the United States? When? Where? How long? Purpose?* These questions are self-explanatory and the answers to all other questions are to be given in reference to the last entry only. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. Here the Steamship Lines should make no entries in this column. The space is intended for use in this column should be expressed in years or months, the first

Column 2. The answer should be either Male or Female.

Column 3. Here should be entered Married, Single, Widowed, or

Column 4. The answer ought to be easily ascertainable. Civil engineer, stair builder, mason, laborer, farmer, merchant, tailor, tinsmith, brass polisher, steel polisher, pen maker, wood turner, etc., and not merely laborer, mechanic, farmer, or the more general terms.

A person who pursues a form, either for himself or for others

A person who follows the sea as a means of livelihood

This column is intended to show what race, people, or nationality each alien belongs to. In answering this question, Scotch, Welsh, English, Irish, German, or Hebrew should not be given

Special attention is directed to the fact that the following questions, Nos. 15 to 19, inclusive, relate to the place of birth of the alien, and that the answers to these questions are of the utmost importance. The answer should be the country in which the alien was born, and not the country to which he may have subsequently come or in which he may have resided for many years. The name of the country should be written in full, and should be the present name of the country, if it has changed its name. Thus, the former Austrian province of Galicia should be written Austria, and the former Turkish province of Bosnia should be written Austria. Cities should not be given instead of countries, nor should the answer be "Russian Empire," "Austro-Hungarian Empire," "Turkish Empire," or "Asia Minor." Such answers will not be accepted. The name of the country must be given. An Irish, German, or Hebrew alien should be described as coming from Ireland, Germany, or Palestine, or any other country. In this column should be entered

CUBAN

Here refer to the Cuban people and Negroes

AFRICAN

Here describe people from West Indies other than either Cubans or Negroes

SOUTH AMERICAN

Here describe people of Central and South America of Spanish descent.

MEXICAN

Here describe people of Mexican birth or descent.

African (black). Here describe natives of Africa, and the other islands of the West Indies, North and South American Indians, and the South American people of African blood, the African Negroes, and their descendants.

ITALIAN NORTH

Here describe natives of the Provinces of Italy north of the River Po, i.e., comprising the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Tuscany, and those descendants, wherever resident, of Italians born in the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Tuscany, should be classed as "Italian north." Most of these people speak a Gallic dialect, not the Italian language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south of the boundaries of the River Po, i.e., comprising the Provinces of Umbria, Marche, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, and Sicily, and their descendants, should be described as "Italian south." Natives of Sardinia, or their descendants, should be described as "Italian south." Many of these people speak a Gallic dialect, not the Italian language.

Column 11. Here should be entered the name of the nearest relative or friend whom the alien has left behind in the country from which he comes. This column should be filled with the name of the wife, parent, child, brother, sister, uncle, aunt, cousin, grandparent, or other relative or friend whom the alien has left behind him in the country from which he comes. It is important that the name of the nearest relative or friend in the country from which he comes should be given, and not the name of a relative or friend in the United States. The name of a husband, father, brother, or other relative or friend in the United States should be given in answer to question 14, and not to question 11.

Column 12. Here should be entered the name of the place in which the alien has last resided. Where a place is known by two names, both should be given, as Cologne (Koln). The name of the town or village should be given, and not merely the province or country. Thus, "Rome" is not sufficient, but "Rome, Italy," should be given. Do not answer "Europe," "Austria," "Hungary," "Russia," "England," "Ireland," "Germany," "Asia Minor," "Turkey in Asia," or "Palestine," as these answers are indefinite and insufficient.

Column 13. The question is self-explanatory and the answers, like all others, should be full and complete. Do not answer "Yes" or "No." Write the name of the city, town, or village.

*Column 14. Here should be entered the name of the nearest relative or friend in the United States to whom the alien is going, whether parent, wife, child, brother, sister, uncle, aunt, cousin, grandparent, or friend. The name of such relative or friend should be entered in full, and not merely "father," "brother," "friend," or "cousin." The address should be given in full, including the number of the house, street, and city. Do not answer "New York," unless the alien is going to reside in the city of New York. Do not answer "California," "Pennsylvania," or "Illinois," unless the alien is going to reside in one of these States. Do not answer "Chicago," "Philadelphia," or "San Francisco," unless the alien is going to reside in one of these cities. Do not answer "Boston," unless the alien is going to reside in the city of Boston. Do not answer "Massachusetts," unless the alien is going to reside in the State of Massachusetts. Do not answer "Cambridge," "Lynn," "Fall River," "Worcester," "Springfield," "Lowell," "Salem," "Lawrence," or "New Bedford," unless the alien is going to reside in one of these cities. Do not answer "Middlesex," "Essex," "Hampden," "Worcester," "Berkshire," "Norfolk," "Bristol," "Plymouth," or "Barnstable," unless the alien is going to reside in one of these counties. Do not answer "Pittsburg," unless the alien is going to reside in the city of Pittsburg. Do not answer "Allegheny," unless the alien is going to reside in the county of Allegheny. Do not answer "Cook," unless the alien is going to reside in the county of Cook. Do not answer "Kings," unless the alien is going to reside in the county of Kings. Do not answer "Brooklyn," unless the alien is going to reside in the city of Brooklyn. Do not answer "Manhattan," unless the alien is going to reside in the borough of Manhattan. Do not answer "Bronx," unless the alien is going to reside in the borough of the Bronx. Do not answer "Queens," unless the alien is going to reside in the borough of Queens. Do not answer "Richmond," unless the alien is going to reside in the borough of Richmond. Do not answer "Staten Island," unless the alien is going to reside in the borough of Staten Island. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applied to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M male or F female.

Column 6. *Married or single.*—The answer should be M married, S single, W if widowed, or D if divorced.

Column 7. *Calling or occupation.*—The entry should describe as specifically as possible the occupation, trade, or profession of each alien, as for example: Carpenter, clerk, cook, dressmaker, farmer, etc., and not laborer, gentleman, lady, servant, boy, girl, child, infant, etc. [illegible] amount of money shown, as follows:

A person who operates a farm, either for himself or another.

A laborer is one who works at any kind of work for another.

Steamship companies should make careful inquiry on the matter of occupation, and if necessary, have employees and agents examine the persons and baggage of aliens for the purpose.

Column 8. *Nationality and race.*—This column is to be filled in with the name of the country of which the alien is a citizen or subject. This question is frequently misunderstood upon what appears to be its face value. In this connection it should be remembered that the term "race" is used in the census tables and elsewhere in a broad sense to denote certain large groups of people who are classed together because of common descent, language, or physical characteristics. In the census tables, for example, the principal races of Europe are classified as follows: Teutonic, Celtic, Latin, Slavonic, Hebrew, Finnish, Scandinavian, Greek, Magyar, Roumanian, Basque, Bohemian, Dalmatian, Lithuanian, Servian, Bulgarian, Armenian, Ruthenian, Turkish, Spanish-American, Mexican, West Indian, Asiatic Indian, Chinese, Japanese, Korean, Polynesian, Indian (North American), Negro, Other races.

[illegible]

African (Black).—Refers to the Negro race of Africa. Any alien with a trace of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a certain dialect of the Italian language.

ITALIAN, SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual intention to establish residence for one year shall constitute permanent residence. The entries in this column should show the last permanent residence of each alien, regardless of length of actual residence thereon. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship companies should make no entries in this column. They are reserved for Government officials only.

Column 3. *Alien's name.* The answer to this question will be expected to include the given name as well as the surname. Initials only will not be sufficient.

Column 4. *Age.* The entry should be written in two figures. If the alien is under one year of age, the entry should be expressed in months, as "6 mos." or "11 mos."

Column 5. *Sex.* The entry should be either M male or F female.

Column 6. *Married or single.* The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.* The entry should describe as definitely as practicable the occupation, trade, or profession of each alien, as, for example, clerk, cook, seamstress, secretary, laborer, motorman, conductor, engineer, brass polisher, steel polisher, stenographer, tailor, dressmaker, stay maker, operator, porter, messenger, typewriter, weaver, or other definite description.

A distinction should be made between farmers and farm laborers, regardless of the age, sex, or nationality shown, as follows:

A farmer is one who operates a farm of his own either as owner or tenant.

A farm laborer is one who works on a farm for the owner or operator.

Steamship companies should make no entry in this column for persons in cabin class. The word "cabin" is sufficient. Prepositions and pronouns, descriptive of the personal characteristics of aliens, are unnecessary. Do not use such words as "gentleman," "lady," "servant," "child," "infant," etc.

Column 8. *Nationality and race.* Each alien must be described as a citizen or subject of some country specifically named. Read what is said above in explanation of "Head tax status" upon which you must base your answer to this question. Do not use the word "American" in describing the nationality of any alien, unless he has in fact been naturalized or derived citizenship through the naturalization of parents. Do not use the word "British" to describe any alien who was born in Ireland, Scotland, Wales, England, Canada, Australia, New Zealand, or South Africa, unless he is entitled to be so described. If he is entitled to be described as a citizen or subject of more than one of the countries mentioned, the word "British" is sufficient. Do not use the word "Austrian" to describe any alien who was born in Hungary, Bohemia, Galicia, Croatia, Slavonia, Dalmatia, Bosnia, Herzegovina, Transylvania, Moravia, Carniola, or Bukowina. Do not use the word "Russian" to describe any alien who was born in Finland, Poland, Lithuania, Courland, Livonia, Esthonia, Bessarabia, Siberia, Caucasia, or Transcaucasia. Do not use the word "Turkish" to describe any alien who was born in Armenia, Syria, Arabia, Palestine, Mesopotamia, Kurdistan, Albania, Montenegro, Bulgaria, Servia, Roumania, Greece, or Crete. Do not use the word "German" to describe any alien who was born in Alsace-Lorraine, Luxemburg, Switzerland, or any other country. In the absence of specific information as to the nationality of aliens born in the following-listed countries, the word "Unknown" should be used:

CUBAN.

Do not use "Cuban" to describe any citizen or subject of Negro race.

WEST INDIAN.

Do not use "West Indian" to describe any people of the West Indies other than Cuban, Haitian, Dominican, or Negro.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICA—NEGRO.

"African black" refers to the African Negro, whether born in Africa or in any other land. If the West Indies, North or South America, Europe, or Africa. Any such person born in any one of these countries should be classified under the name of that country.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia, and those descended from persons who were born in Italy and who were citizens of Austria-Hungary, Italy, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.* Actual or apparent residence is not sufficient. The entry should indicate the last permanent residence of the alien. The entry should show the country and city or town of last permanent residence. If a steamship has several places of business, the steamship company should state which place is the permanent residence of the alien. A temporary residence, contrived only for the purpose of coming to the United States, is not sufficient. If no permanent residence can be established, the word "None" should be entered.

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative or friend, give name and address of friend.

Column 13. *Intended destination.* The answer to this question should show their intended future permanent residence. An intended residence of one year should constitute permanent residence. The entry should be directly to the place, city, or town of intended future permanent residence within the United States, if such be the fact.

Column 15. *Whether having a ticket to such final destination.* The entry should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.* The entry should show whether the alien's passage was paid by himself, father, mother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if not, how much.* The purpose of this column is to show in each case whether the alien has the money to land. Money belonging to the family, should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* The entry should show whether or not (Yes or No) the alien has been in the United States before, and if so, the year or period of years and place or places (as 1907–1909, Philadelphia).

Column 19. *Whether going to join relative or friend; and if so, what relative or friend.* The answer should state whether going to join either relative or friend, and if so what relative or friend, with name and complete address.

Column 20 to 30. These questions are self explanatory and the answers should be "Yes" or "No" as the case may be, except as to question 24, which requires the answer to be stated in number of days, weeks, months, or years. In question 27 if alien has been deported within one year and has since been excluded, the fact should be stated. In answering question 28 if alien has been deported at any time, the answer should be "Yes." Under the last question, 30, the name and address of such relative in the United States to whom the alien was deported should be given. If no such relative, the word "None" should be entered.

Column 31. *Remarks.* Any information not called for by the foregoing questions which the master, commanding officer, first or second officer may deem necessary to be reported to the Commissioner General of Immigration, Washington, D. C., should be entered in this column. Any information which will assist the immigrant inspector in the examination of the alien should be entered in this column. If the alien is in possession of a ticket to his destination beyond the port of arrival, the name of the railroad or steamship company issuing the ticket should be entered in this column. If the alien has been refused a visa by a consular officer, the fact should be entered in this column. The last country in which each alien shall have had a permanent residence for one year or more should be considered the country from which he last permanently removed to the United States. Thus, if any alien has resided for one year or more in England, Ireland, Scotland, or Wales, he should be returned as coming from that country, even though he may have been born in Germany, Russia, or elsewhere. If any alien has resided for one year or more in Canada, Cuba, Mexico, or Panama, he should be returned as coming from that country, even though he may have been born in Europe, Asia, or Africa. Column 12. *Vessel and complete address of purchaser.* ..... should give name and address of each alien ..... ticket.

Column 13. *Final destination.* The entry should show the city, town, or village of intended residence. An intended residence of New York City, Brooklyn, Borough of The Bronx, Borough of Manhattan, Borough of Queens, Borough of Richmond, or Jersey City, N. J., is sufficient. Columns 17 to 35. The questions are self-explanatory and should be answered accordingly. It is expected that the answers to questions 32 to 34, inclusive, will be given in detail. However, if any alien refuses to answer any of these questions, it should be noted, and the reasons, if given by such alien, should be stated. Each question should be answered for each alien, and no sweeping answer to any question will be accepted.

Column 4. Specify whether Male or Female.

Column 5. *Married or Single.* The answer should be Married, Single, Widow, or Widower.

Column 6. *Occupation.* The entry should describe as correctly as possible the occupation, trade, or profession of each alien. For example, carpenter, clerk, cook, seamstress, laborer, [illegible] manufacturer, [illegible] housekeeper, [illegible] servant, tailor, tailoress, or [illegible] simply as no occupation, or under 1 year, or other terms meaning the same.

All children should be carefully entered, whether boys or girls, infants, babes in arms, or minors.

A passenger who can read, write, or speak English, or who is able to read, write, or speak some other language, should be so described, and not as a person unable to read, write, or speak English.

A person who can read, write, or speak English, or any other language, should be so described, and not as a person unable to read, write, or speak any language.

Steamship companies should be careful to see that the answers to Questions 14 to 19 are correctly entered, for upon the answers to these questions the immigrant inspector largely depends for information regarding the personal admissibility of immigrants.

Column 7. *Last Residence.* [illegible] should be entered the country from which the alien last came to the port of departure, whether it be a foreign country or the United States. Thus, if a person has been living in Canada, Mexico, Cuba, or Europe, or in the United States, and has come to the port of departure for the purpose of sailing, the country in which he has been living should be entered, and not the country of his birth, unless the two are the same. Questions 9 should be construed to mean the country in which the person has been living.

Columns 8 and 9. [illegible] should be entered the name of which [illegible] last residence, as described under Questions 7 and 8. In the United States it is important that the name of the city, town, or village should be given. If the alien is going to a friend, the friend's name and complete address should be given. If going to a steamship ticket agent, to a railroad ticket agent, or to no one in particular, the destination desired should be given. Under no circumstances should the name of a railroad or steamship company be entered in answer to Question 9.

Columns 10 and 11. [illegible] should be entered whether the alien has a ticket through to his destination in the United States, and whether he has paid for it himself or whether it has been paid for him by other persons or by the railroad or steamship company. If the ticket is not paid for at all, it should be so stated. If the ticket is only partly paid for, the fact should be stated, and by whom the remainder is to be paid, if known.

Column 12. *Whether in possession of $50 and whose amount.* The answer to this question should be "Yes" or "No," as the case may be. If the answer is "Yes," the amount of money in possession should be stated in the column. Persons having less than $50 in gold, silver, or its equivalent, are to be considered as not having the amount required by law, whether they have more in addition or not. Money orders or drafts are not to be considered as money, nor is money in the possession of others than the immigrant himself to be taken into account.

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of the immigrant officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Persons formerly engaged in any occupation, but not actively engaged therein at present, should be returned as of their former occupation.

Persons born in Scandinavia should not be returned as Scandinavians, but as Finn, Lapp, Norwegian, Swedish, or other race or people, as the case may be. Persons born in Portugal should not be returned as Portuguese, but as Portuguese, Madeiran, Pyrenean, or other race or people, as the case may be. Column 11. *Last permanent residence.*—Actual organized residence with the intention of remaining one year or more is evidence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence there in. The entries in this column should show the country and city or town of last permanent residence. It is important in order to fully prepare statistics that steamship officials accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Columns 20 to 35.—These questions are self-explanatory and the answers, like all others on the sheet are subject to be taken by inquiry of others in the examination of alien. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such favorable action should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe, as nearly as possible, the occupation, trade, or profession (no trade is assumed as necessary to all persons, however young or old, between, men, women, and children), such as laborer, seamstress, housekeeper, tailor, tailoress, engineer, blacksmith, carpenter, shoemaker, boot and shoe worker, cook, waiter, servant, clerk, etc., and not simply "gentleman," "lady," "student," "child," or "none." Do not use the terms "merchant," "manufacturer," "dealer," "agent," "broker," "contractor," "speculator," or "capitalist" unless they are accompanied by a definite statement of the actual business in which the person is engaged, as, for example, "coal merchant," "cotton manufacturer," "real-estate dealer," "agent for sewing machines," "stock broker," "contractor for buildings," "speculator in lands." Do not use the word "laborer" in connection with any occupation to which it does not properly belong, as, for example, "bookkeeper laborer," "clerk laborer," "engineer laborer," "servant laborer," "tailor laborer," "shoemaker laborer," etc., unless the person has been employed habitually as a laborer. Do not use the word "farmer" unless the person has been employed habitually as a farmer.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Separate specific entries should be made for each of the occupations, and correspondence should be made necessary, by inspectors and persons, before the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: Read and write [i. e., if exemption is claimed upon whatever ground]? In answering this question the answer "yes" is to be entered upon the alien possessing the reading requirement, the exemptions for which should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which the alien is a [illegible].

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the [illegible] to which the alien belongs.

Several races which [illegible] to the distinction between race and the country of which the citizen or [illegible] is a subject [illegible] residence and country of birth, and manifests should be cared for by [illegible] the [illegible] in this regard. For instance, Irish appearing under the column "race or people" should be entered as "Irish," but under the column "country of which citizen or subject" as "Great Britain" or "United Kingdom," as the case may be. Persons of the Hebrew faith should not be reported as belonging to a religious denomination, but should be reported by race or people, as "Hebrew," and by country of which citizen or subject, as "Russia," "Germany," "United States," etc. Do not use the word "Hebrew" in connection with the following races, which should be carefully observed:

ARYAN

The term "Aryan" includes [illegible] and Negroes.

ARMENIAN.

West Indian.—[illegible] Indian, native white, either Cuban or Negroes.

NEGRO.

Spanish American.—[illegible] Spanish American, South American, Spanish descent.

SEMITIC (Jew).

"African (black)" refers to the Negro race of the African Continent. A native of the Island of the West Indies, North or South America, Europe, or Africa, who is of admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, with the exception of Italian Switzerland. Austrian [illegible] of the Italian country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. (*Last permanent residence.*—Actual or intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for one year or more shall be the last permanent residence entitled to the exemption. The entries in column 11 should be written country and city or town. Last permanent residence is not identical with place of birth, as the latter may be many years before the last permanent residence. Do not return as last permanent residence that of temporary residence, country of birth, native city, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States."

Column 12. *Name and address of relative or friend in the country whence alien came.*—The entry should show name and address of such relative. In case such relative is dead, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended stay of one year or more shall constitute permanent residence. The entry should show definitely the place, city, or town, of intended future permanent residence if within the United States—country, if outside the United States.

Column 14. (*Whether in possession of ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid—self, husband, father, mother, grandparent, other relative, friend, steamship company, etc.

Column 16. *How much money has alien with him?*—The answer should give in each case the exact amount of money in the possession of the alien, not merely that he has or has not money. Money brought by the head of a family should not be divided, but entered as the property of the family.

Column 18. (*Have you ever been in the United States, and if yes, when, and where.*—The entries should show whether the alien has been in the United States before, and if so, the year or period of years, and place, as, 1894, Philadelphia.

Column 19. (*Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether the alien is going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to careful examination by the examining officers in the manner provided therein. However, in answering question 29, if the alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

* Persons "in transit" through the country will be entered at destination if known. If destination is unknown, state the reason in detail. If not in transit, the name of the nearest relative or friend in the country whence alien came shall be given. If the destination is not the same as the permanent residence, explain fully under "Remarks" at the end of the list. If a change has been made in the name of any alien, the original name and the name changed to must be given. Entries in this column should be carefully scrutinized, as they frequently indicate liability to become a public charge. Any alien who has been in the United States before and returns to an unrelinquished residence therein should be so stated. Any alien who has been deported and returns should state the fact. Any alien who has been in a penal institution or an almshouse or who is coming under contract to perform labor should state the fact. Any alien who is coming to the United States to avoid military service should state the fact. Any alien who is a polygamist or who practices polygamy should state the fact. Any alien who is coming to the United States to engage in any unlawful activity should state the fact. Any alien who is coming to the United States to engage in any activity which would endanger the welfare, safety, or security of the United States should state the fact. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. This column is for use of Government officials only.

Column 4. *Age.* — The answers in this column should be expressed in years. Infants under one year of age should have the word "infant" entered in this column. Persons appearing to be one year old and upwards should have entered the number of their last birthday prior to the date of sailing. Thus persons from one year up to the completion of the second year should be returned as two years of age, persons from two years up to the completion of the third year as three years of age, and so on.

Column 5. *Sex.* — The entry should be either M male or F female.

Column 6. *Married or single.* — The answer should be M married or S single. Widows or widowers should be returned as single.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation of each alien. Such terms as "laborer," "servant," "farmer," "merchant," "manufacturer," "clerk," "tailor," "seamstress," "housekeeper," "cook," "waiter," "barber," "physician," "surgeon," "lawyer," "actor," "musician," "author," "editor," "teacher," "engineer," "minister," "priest," "nun," "missionary," "agent," "boy," "girl," "child," "gentleman," "lady," "farm laborer," "laborer," or "servant (female)," without specifying the particular kind of work performed, are indefinite and unsatisfactory.

Children under two should be given as infants, and farm laborers, as a class of the occupation of many aliens, are to be avoided.

A foreign-born alien who operates a farm of his own should be returned as a farmer.

A farm laborer is one who works on a farm for the man who operates it.

Skilled laborers should be described as to the trade in which they are skilled, as carpenter, mason, engineer, etc., and not merely as mechanics, which is indefinite.

Persons having no occupation, such as children, should be returned as having "no occupation."

Column 8. *Last permanent residence.* — Actual residence should be given, and not the country of which the alien is a citizen or subject, unless the two are the same. The last permanent residence is the place where the alien has lived for a year or more, and to which he returns after visiting foreign countries. Thus a person who has been living in Paris, France, for a year or more, and who comes to the United States on a visit, intending to return to Paris after the visit, should have entered in this column "Paris, France." But a person who comes to the United States with the intention of remaining here, although he may intend to return to his native country at some indefinite future time, should have entered in this column the place in the United States where he intends to reside.

Column 9. *Destination.* — Place where the passenger intends to go in the United States. Write the name of the city or town, and the State, whether he has friends there or not. If he intends to go to a place in the United States, but is not certain as to the place, only the name of the State should be given. If he intends to remain in the United States permanently, it should be stated.

Column 10. *Whether ever before in the United States.* — The answer should be Yes or No.

Column 11. *Whether has a ticket to final destination.* — The answer should be Yes or No.

Column 12. *Whether passage paid.* — The entry should show whether the passage was paid by the alien himself, father, husband, mother, wife, brother, sister, grandparent, or other relative, friend, or employer.

Column 13. *Whether in possession of $50 and if not, how much.* — The entry should show whether the alien has the amount of money required by the Immigration Act, and if not, how much he has. Money in the form of drafts should be included in the sum mentioned in the entry.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The entry should show whether the alien has a ticket to join a relative or friend in the United States, and if so, what relative or friend, and his name and complete address.

Column 15. *Whether ever in prison or almshouse or supported by charity.* — The question is to be answered by Yes or No. If the alien is deaf, dumb, blind, crippled, or otherwise defective, or is an epileptic, or has been in prison, or in an almshouse, or an asylum for the insane, or has been supported by charity, or is a polygamist, or is coming to the United States for an immoral purpose, the fact should be stated.

Column 16. *Whether a person who has been deported at any time.* — The answer should be Yes or No.

Column 17. *Whether coming under contract to perform labor.* — The answer should be Yes or No.

Column 18. *Height.* — The height of each alien should be stated in feet and inches.

Column 19. *Complexion.* — The complexion of each alien should be described as light or dark.

Column 20. *Color of hair and eyes.* — The color of the hair and eyes of each alien should be described.

Column 21. *Marks of identification.* — Any visible scars, marks, or tattoo marks upon any alien should be described.

Column 22. *Place of birth.* — The place of birth should be given as accurately as possible. The name of the country in which the alien was born should be stated. Such terms as "Russia," "Austria," "England," "French possessions," "Spanish American countries," "West Indies," "Africa," "Asia," "Europe," "Central America," "South America," "Australia," "Germany," "Italy," "Scandinavia," "Spain," "Portugal," "Turkey in Asia," "Arabia," "Syria," "Palestine," "Persia," "India," "China," "Japan," "Mexico," "Canada," "Newfoundland," "Cuba," "Porto Rico," "Hawaii," "Philippine Islands," "Samoa," "Guam," "Tutuila," "Africa," "Australia," "New Zealand," or "Pacific Islands" are indefinite and unsatisfactory.

The term "Russia" should not be used unless the alien is a native of Russia proper, and not of Finland, Poland, Siberia, Caucasia, Central Asia, or other parts of the Russian Empire.

"West Indian" refers to the Islands of the West Indies, and not to the countries on the mainland of America bordering on the West Indies.

"Spanish American" refers to the people of Spanish America, and not to the countries.

"African (black)" refers to the Negroes of Africa. Persons born in the Islands of the West Indies, North or South America, Europe, or Africa, other than Negroes, should not be described as natives of Africa. The African Negro should be classified under this heading.

ITALIAN, NORTH

Persons who are natives of the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, or the Provinces of Umbria, Marches, Tuscany, and Latium, or Rome, should be returned as Italian, North. Persons who are natives of the Provinces of Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies, should be returned as Italian, South.

Column 23. *Last permanent residence.* — Actual residence should be given, and not the country of which the alien is a citizen or subject, unless the two are the same. The last permanent residence is the place where the alien has lived for a year or more, and to which he returns after visiting foreign countries. If he has been living in the United States for a year or more, and is coming to the United States with the intention of remaining here permanently, the place where he has been living should be entered. If he has been living in the United States for a year or more, but is coming to the United States with the intention of returning to his native country at some indefinite future time, the place in his native country where he intends to reside should be entered.

Column 24. *Whether seeking to enter the United States for one year or less.* — The answer should be Yes or No.

Column 25. *Whether going to join a husband, father, brother, mother, wife, sister, grandparent, or other relative, friend, or employer.* — The entry should show whether the alien has a ticket to join a relative or friend in the United States, and if so, what relative or friend, and his name and complete address.

Column 26. *Nearest relative or friend in country whence alien came.* — The entry should show the name and complete address of the nearest relative or friend of the alien in the country whence he came.

Column 27. *Ultimate destination.* — The question is to be answered by the name of the city or town, and the State, whether he has friends there or not. If he intends to go to a place in the United States, but is not certain as to the place, only the name of the State should be given. If he intends to remain in the United States permanently, it should be stated. If he is not certain as to any of these matters, the fact should be stated.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax.* Steamship lines should make no entry in this column. The head tax is payable by the master, owner, agent, charterer, or consignee of the vessel.

Column 3. *Class.* The answer in this column should be one of the classes of aliens liable to head tax under the law, as applicable to the case.

Column 4. *Nationality.* The entry should be the country of which the alien is a citizen or subject.

Column 5. *Race or people.* The entry should be Hebrew, Negro, Polish, Bohemian, Slovak, Spanish, Dutch, French, German, Irish, Scotch, Welsh, English, Italian (North), Italian (South), Portuguese, Roumanian, Russian, Ruthenian, Slavonian, Servian, Croatian, Bulgarian, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Finnish, Lithuanian, Magyar, Mexican, Cuban, Porto Rican, Armenian, Syrian, Turkish, Arabian, Chinese, Japanese, Hindu, East Indian, Korean, Pacific Islander, West Indian, Scandinavian, Indian (Hindu), Indian (American), Negro, or other race or people to which the alien belongs.

Column 7. *Last residence.* The entry should be the country of last permanent residence, whether it be the United States or elsewhere. Temporary visits abroad by persons having a permanent residence in the United States will not change the permanent residence. Nor will temporary residence in the United States change the permanent residence abroad. Thus, a Pole who has been living in Germany for a year, but who has a permanent residence in Russia, should be entered as coming from Russia. Persons coming from Canada, Mexico, Cuba, Central America, or adjacent islands must show the country in which they have their permanent residence, and not merely the country whence they last came.

Column 9. *Name of person.* The name and complete address of the nearest relative or friend in the country whence the alien came should be given. This column is not to be filled out in the case of aliens coming from contiguous countries.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The entry is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, or S, single. Widowed or divorced persons should be reported as single.

Column 7. *Calling or occupation.*—The entry should describe as clearly as possible the occupation, trade, or profession of each alien on arrival, as for example, "civil engineer, stationary engineer, farmer, carpenter, engineer, brass polisher, steel polisher, iron molder, wood turner, etc.," and not merely "laborer," "mechanic," "engine," "machinist," "polisher," molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A trained nurse should make this distinction on the manifests, and corrections should be made accordingly. Inspectors should make this distinction on the original manifests as entry clerks during the personal examination of each alien arrived.

Column 8. *Able to read and write.*—This column is subdivided and contains the following questions: Can he read? Can he write? If exemption is claimed upon what ground? In answering this question it is sufficient that the agent is able to read a short sentence. If exemption is claimed, the agent should state the reason and the fact should be verified. If an alien is able to read and claims exemption as to the ability to write, the agent should state such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which the alien is a citizen or subject. See list of names printed on back of this sheet. The entry should show country to which alien owes allegiance.

Column 10. *Race or people.*—See list of names printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Column 11. *Last permanent residence.*—The purpose of this question is to ascertain the distance between race and the country of which he is a citizen or subject. Both the race or people and the distance between race and the country of which he is a citizen or subject should be carefully considered. The last permanent residence and country of birth, and race or people should be carefully considered. The last permanent residence is to indicate whether the alien has resided for any length of time in any country other than that of which he is a citizen or subject. For instance, France appears under the list of countries, but persons born in that country are not necessarily of the French race or people, and, similarly, "French" appears under the head of races or peoples, but persons of the French race or people are not necessarily natives of France. By race or people is meant whether Latin, Slavic, Teutonic, Hebrew, Mongolian, or Negro race. By country is meant whether English, French, German, Italian, Spanish, Russian, Turkish, Dutch, Scandinavian, Chinese, Japanese, Indian (native), Mexican, Cuban, Porto Rican, Central or South American, West Indian, Australian, New Zealander, Philippine, Hawaiian, Portuguese, Asiatic Turkish, Arabian, Egyptian, Syrian, Armenian, Greek, Canadian, or Newfoundland, according to the birthplace of the alien. France should not be returned as the birthplace of Englishmen, Swiss, Germans, Italians, or any other country. In the case of Canadians, Mexicans, Cubans, Porto Ricans, Central or South Americans, West Indians, Australians, New Zealanders, Philippines, Hawaiians, Portuguese, Asiatic Turkish, Arabians, Egyptians, Syrians, Armenians, Greeks, Canadians, or Newfoundlanders, the distinction between race or people and birthplace should be especially observed.

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

West Indian refers to people of the West Indies, other than either Cubans or Negroes.

CENTRAL AMERICAN

Spanish American refers to the people of Central and South America and Spain, but does not include Negroes.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who is native to Africa or the Islands of the West Indies, South or South America, European or African. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN, NORTH

Persons who are natives of provinces of the Republic of Italy lying north of the Provinces of Leghorn, Florence, Ancona, Rome, and those places. Persons who are residents of Italy, Switzerland, Austria-Hungary, Germany, France, Belgium, Holland, Australia, Egypt, Asiatic Turkey, Syria, Armenia, Greece, Canada, Newfoundland, Mexico, Cuba, Porto Rico, Central or South America, the West Indies, Australia, New Zealand, Philippine Islands, Hawaii, Portugal, Asiatic Turkey, Arabia, Egypt, Syria, Armenia, Greece, Canada, Newfoundland, Mexico, Cuba, Porto Rico, Central or South America, the West Indies, Australia, New Zealand, Philippine Islands, Hawaii, Portugal, should be classed as Italians, South. Most of these have been born in Italy, but should be classed as Italians, North.

ITALIAN, SOUTH

Persons who are natives of provinces of the Republic of Italy lying south of the Provinces of Leghorn, Florence, Ancona, Rome, and those places. Persons who are residents of Italy, Switzerland, Austria-Hungary, Germany, France, Belgium, Holland, Australia, Egypt, Asiatic Turkey, Syria, Armenia, Greece, Canada, Newfoundland, Mexico, Cuba, Porto Rico, Central or South America, the West Indies, Australia, New Zealand, Philippine Islands, Hawaii, Portugal, Asiatic Turkey, Arabia, Egypt, Syria, Armenia, Greece, Canada, Newfoundland, Mexico, Cuba, Porto Rico, Central or South America, the West Indies, Australia, New Zealand, Philippine Islands, Hawaii, Portugal, should be classed as Italians, South. Most of these have been born in Italy, but should be classed as Italians, South.

Column 12. *Last permanent residence.*—The entry should show the intended future permanent residence. A correct record of the answer will indicate permanent residence. The entry should be carefully considered. If the alien has resided for a year or more in a country other than that of which he is a citizen or subject, he should be considered to have his last permanent residence in the country in which he has resided for a year or more. The answer should be either Yes, ticket to ..... or No, ticket to .....

Column 13. *Whether coming to join relative or friend.*—The entry should show definitely by whom passage was paid, whether by himself, by relative, friend, steamship company, etc.

Column 14. *Relative or friend in the United States to whom going, and address.*—The answer should give in each case the name and address of relative or friend to whom the alien is going, whether father, mother, other relative, friend, steamship company, etc.

Column 15. *Final destination, if not to the United States.*—The answer should show the ultimate destination of aliens in transit through the United States.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether the alien has been in the United States before, and if so, the year or period of years and where he resided. (Yes or No, in the United States, to be used, and if so, the year or period of years and where he resided, Philadelphia, 1895–1898.)

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend.*—The answer should show whether he is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18. *Sex.*—The question refers to the sex of the emigrant and the entry should be M, male, or F, female.

Column 19. *Age.*—The question refers to the age of the emigrant and the entry should be the number of years.

Column 20. *Married or single.*—The question refers to the condition of the emigrant and the entry should be M, married, or S, single. Widowed or divorced persons should be reported as single.

Column 21. *Calling or occupation.*—The question refers to the calling or occupation of the emigrant and the entry should be the same as that required in column 7.

Column 22. *Nationality.*—The question refers to the nationality of the emigrant and the entry should be the same as that required in column 9.

Column 23. *Final destination.*—The question refers to the country of the emigrant's final destination. The entry should be the same as that required in column 15.

Column 8 (*Able to read or write*).—This column is divided and contains the following question: Can read? Can write? Can both read and write.—This column is divided and contains the question: Can both read and write? In answering this question, Read what language or, if exemption is claimed, upon what ground? If alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Every person has the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject. Country of last permanent residence and country of birth, and in many cases should be carefully noted. In the case of races and country clerks in this regard. For instance, "France" appears under the head of countries, and "French" by race or people, and, similarly, "French" appears under the head of races, does not mean "France" by country. An Irish, German, or Holland alien by race should not be entered as people of Ireland, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are natives of the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and the people included who live south to Rivers Sagone, Isauro, Arezzo, Tiber, Nera, Velino, Tronto, and Pescara, and who are natives of Rieti, Aquila, Teramo, and Campobasso, provinces of Italy. Most of these latter Austria-Hungary, or any other country, should be classed as "Italian, south." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po, i.e., compartments of Umbria, Tuscany, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those described as included who live south to Rivers Sagone, Isauro, Arezzo, Tiber, Nera, Velino, Tronto, and Pescara.

Column 11 (*Last permanent residence*).—A total of seven years entitles the person to a permanent residence. The two months which alone are credited with the privilege of remaining one year permanent residence. The two months which alone are credited with the privilege of remaining one year shall constitute permanent residence. The entries in this column should show the country and city or town of last permanent residence. It is important that in this column 11 should show the country and city or town of last permanent residence under the immigration laws. In this column 11 should show the country and city or town of last permanent residence under the immigration laws. Such lists or manifests shall be delivered before the vessel shall be admitted to entry, and if the master, agent, consignee, or owner of such vessel shall refuse or neglect to deliver such lists or manifests, or shall refuse to answer such questions, or shall willfully answer falsely concerning the same, he shall be deemed guilty of a misdemeanor, and shall be punished by a fine of not more than $1,000 for each offense. The Secretary of Labor shall prescribe the number of manifests required, and the information to be contained therein, in the case of vessels carrying large numbers of passengers. Such manifests shall be signed and sworn to by the master of the vessel before the immigration officer at the port of arrival, and shall be in such form as the Secretary of Labor may prescribe. Upon the refusal of the master of any vessel to deliver a complete list or manifest, or to answer any question pertaining to the same, within the time prescribed by this section, the collector of customs of the district in which the port of arrival is located shall impose a penalty of $10 for each alien concerning whom information is withheld. Upon the refusal of the master to deliver a complete list or manifest, or to answer any question pertaining to the same, within two hours after the vessel shall have been granted entry, the vessel shall be liable to a penalty of $100 for each alien concerning whom information is withheld, and no clearance shall be granted the vessel by the collector of customs until the payment of the penalties imposed by this section has been satisfied or secured to be paid to his satisfaction or until the decision of the Secretary of Labor has been rendered upon an appeal taken as hereinafter provided. Upon the refusal of the master to pay any penalty imposed by this section, the vessel shall be libeled therefor in the district court of the United States for the district in which the port of arrival is located, and may be seized and detained by any officer authorized to enforce the customs laws of the United States until a decision is rendered by the court. Upon the payment of any penalty imposed by this section, or upon the giving of a bond or undertaking sufficient to cover the amount thereof, the vessel shall be granted clearance pending the decision of the Secretary of Labor upon appeal or the decision of the court in case suit shall be brought to recover the penalty. From any adverse decision of the Secretary of Labor upon such appeal the master, owner, agent, consignee, or charterer of the vessel may, within two months after the date of such decision, bring suit in the district court of the United States for the district in which the port of arrival is located to recover the amount of the penalty paid or secured to be paid by him. Pending the decision of the court upon the trial of such suit, the vessel shall be granted clearance upon the deposit with the collector of customs of a sum sufficient to cover the penalty or upon the execution of a bond or undertaking sufficient to cover such penalty.
